

Rotary Charities of Williamsport Community Grant Application

Eligibility Criteria for Grants

The Rotary Club of Williamsport Grant Program is interested in providing grants to support to nonprofit (qualified 501c3) organizations that advance educational opportunities or health related initiatives for the Williamsport community (including Williamsport, Loyalsock Township and South Williamsport) and international projects. A key objective of the Grants Program is to form mutually-beneficial working relationships between the Rotary Club of Williamsport and our grant recipients, with each supporting the programs and activities of the other.

The Rotary Club of Williamsport funds specific programs and activities that strengthen core programs, provide seed funding for a new program or program elements or initiatives. Collaborative projects with other nonprofits are accepted, with a single grant made to the lead organization. Usually, grants for ordinary operating expenses are not considered.

The grant application should specifically address the need being met and identify the impact of the program or initiative for which funding is being sought. Please make sure to include the number of the residents served.

The Rotary Club of Williamsport also requests that awardees acknowledge Rotary grant funding in their newsletters, annual reports, press releases and/or on social media.

Standard grant amounts *typically* range from \$500 to \$2,500.

The Grant Application Form must be completed and forwarded to the Rotary Club of Williamsport, P. O. Box 1271, Williamsport, PA 17703 no later than May 12, 2017, and grant decisions will be announced after June 6, 2017. Awardees will be invited to attend the Rotary Club of Williamsport's Annual Meeting, to be held on Monday, June 26, 2017. For further information, please contact Barb Wascher at dwascher@aol.com or (570) 971-1885.

The Rotary Club of Williamsport reserves the right to periodically change these eligibility criteria and/or incorporate additional criteria.
