E-CYCLING DAY

Recycle Unwanted Electronics Safely and Securely

Items accepted are: TV's, computers, laptops, smartphones, tablets, servers, routers, firewalls, printers, CD players, radios. Size and weight does not matter. We do NOT accept: washers, dryers, microwaves, freon-related appliances such as air conditioners.

KVS Computers, the area's official R2 certified electronics recycler, will securely sanitize or destroy any hard drives.
